USA · CANADA · UK · MALTA

A message from our Managing Director

Lisa James

A message from our managing director

And so, after three years, young learner programmes finally returned to the shores of the UK, US, Canada and Malta in force. It was fantastic to see most of our junior summer locations open once more and filled with happy, smiling students. In the US and Canada it was particularly special, having not welcomed one junior student since 2019!

For those of you who sent students abroad in 2022, you will know that it was not an easy summer. Staff shortages around the world, in our centres, in airports, at attractions, on transport and in visa and passport offices, made logistics difficult, but at Embassy Summer we were extremely proud of the 100's of staff in our centres around the world, who went the extra mile to make sure student safety and happiness remained our priority.

We welcomed students from all over the world again, helping to grow connections, build global communities and open new doors, which seems so much more important in the post pandemic world that has kept us all apart for so long.

So now we look forward to 2023. With several new centres in the UK, US and the return of our very popular Homestay programme in Malta we are very excited to be able to welcome even more students through our summer school doors.

We will continue to offer our year round programmes, as well as our online and virtual reality programmes. We will also continue to develop our Embassy Summer brand.

We are eternally grateful for your continued loyalty and support of Embassy Summer and we are delighted to continue sharing the summer school journey with you all.

Our Vision

Helping students succeed in a global community.

Our Mission

We are inspiring people. As a team, a family, we inspire our students, our partners and each other every day. We empower, share knowledge and create success. We dream big for ourselves and our students.

From a single school, to a global chain, to a leader in global education, our beliefs have never changed. We believe in people and their limitless potential. We celebrate and nurture achievement and embrace every challenge along the way.

With a positive mindset, we innovate and keep moving forward. When we stumble, we pick ourselves up, re-focus and create a new path.

Everyone we meet on this amazing journey helps to shape who we are. These connections will also shape who you are, now and into the future.

The Embassy Summer Journey

Once upon a time...

Though we create “magic moments” Embassy Summer isn’t a “once upon a time” fairy tale. Embassy Summer is a legacy of experienced staff and inspired students and participants. Our story is one with a past, present, and future: it is our pleasure to share the Embassy Summer story with you!

History

We’ve come a long way and learnt at every step of our journey!

Embassy Summer is a trusted **global leader** in full immersion junior language programmes with over 40 years of experience in delivering dynamic experiences to students from around the world. We work with global universities, colleges and schools. We’ve navigated through many years of challenges and joy. This year Embassy Summer will operate 22 summer schools with our partner colleges, schools, universities and hotel residences in 4 countries.

Identity

Your summer experience matters!

Embassy Summer courses are designed to ensure that students make the most their time with us. Not only do our students get to improve their English, Spanish, or French; but we also support their personal development and provide them with lots of opportunities to make new international friends.

We are experienced at delivering outstanding programmes, with a 99% student satisfaction rate based on student feedback. We also have a truly global nationality mix with students coming to our centres from over 85 different countries.

Reality

Join Embassy Summer - your adventure awaits!

Culture, fun, education, language - these are the elements that give Embassy Summer its magic!

Join Embassy Summer for a physical adventure such as swimming or hiking, or a social adventure such as a games evening, a disco or sightseeing with new friends. Our students explore some of the most iconic and historic locations in the world- all whilst being immersed in the language.

Amazing locations

Choose from 22 amazing locations...

With several new centre options for 2023, students have the opportunity to learn side by side, with their new friends, in a variety of locations around the world, ranging from small seaside towns to large cities. For both frequent travellers as well as those exploring ‘abroad’ for the first time, all of our students have the opportunity to experience the beauty of the place they choose to travel to.

Award-winning

We have been recognised with the ST Star Award for juniors in 2015, the silver award for Best Educational Product in the British Youth Travel Awards 2018 and short-listed for the ST Star Award 2019

We deliver

We deliver rewarding English language programmes for young learners, providing a truly life-changing experience for students from all over the world. We are a trusted and globally accredited provider with a 40+ year track record.

Keeping our students safe

We place the highest priority on the welfare and safety of our students and provide a high standard of care and supervision across all of our programmes and in all of our global destinations.

Experienced Head Office Team

Our experienced head office team is responsible for training staff across all our centres to ensure they operate at the highest standard and in line with local accreditation standards. Each of our centres has an average staff to student ratio of 1:10 and at least one dedicated person responsible for student welfare.

We care 24/7

We care for our students 24/7, with supervision after class, after activities and during excursions. We also have dedicated night supervisors in our centres to make sure we provide 24-hour support to our students. If any medical issues arise we have access to first aiders on-site and, if required, our staff have established links with local doctors, dentists and hospitals.

Nurturing and Homely Environment

To make sure individual students are happy and well-cared for we provide guardians to ensure that they are having a fun and safe experience in our centres. All of our residences have staff staying in the accommodation to provide a nurturing and safer environment.

Dedicated Support

We provide dedicated support for our students throughout their stay, including a full induction and orientation on arrival, where all students are issued with identity cards which contain our emergency telephone details.

The World Travel & Tourism Council (WTTC) SafeTravels stamp enables students to recognise schools around the world which have adopted health and hygiene global standardised protocols – so they can experience 'Safe Travels'.

Learning inside & outside the classroom

Here at Embassy Summer, we see language as a skill; less of a dry academic subject where the teacher explains structures and students complete exercises, and more of an opportunity to improve confidence in communicating and to practise speaking.

Immersion in an English or French-speaking environment

Many of the students that join our courses love learning languages and want to immerse themselves in an English or French-speaking environment, but we also have students who struggle with the language and want to leave with a basic operational level - we cater for both.

Student-centred lessons

It's important for us that students feel comfortable in lessons, that they are placed in classes with a good nationality mix wherever possible, which encourages them to use the language, to share opinions and discuss relevant topics whilst completing personalised communicative tasks. We spend time training and supporting teachers so they can run student-centred lessons that are fun and can give valuable feedback to students which will help them improve the level of their spoken language and allow them to return home with added confidence and a higher level of proficiency.

Online placement test

Whenever possible, we attempt to place students before arrival with an online placement test. Where we are unable to test students prior to their arrival we test them on their first day of lessons.

Real conversations

A typical Embassy Summer lesson will start with a speaking activity which will allow students to express their opinions (students might be asked to compare things or recommend something, ask for opinions, summarise a text or solve a problem). Depending on their level, the teacher might pre-teach some functional phrases or highlight them during a feedback stage; the focus is to provide a platform for real conversation on engaging topics and for the teacher to help them to improve. All our teachers receive training before they start and are supported by our academic team throughout the summer to enable them to deliver practical lessons with clear learning outcomes that improve students' level of communication.

Our Language Programme

The classroom is at the heart of an Embassy Summer centre.

Lessons are student-centred and encourage the development of relevant language skills

- Engaging classrooms with a positive learning atmosphere
- 15 Hours (20 x 45 minute) of lessons in the UK, US and Canada (15 x 60 minutes in Malta) either in the morning or afternoon
- Taught by trained English teachers
- Student numbers of 17 students per class
- We teach all levels, from beginner to advanced
- All courses include learning resources where required, materials appropriate to students age and level, and an end of course report and course certificate.

A good night's sleep

With so much to do during the daytime it is important that all of our students get a good night's sleep. Embassy Summer offers a wide range of residential options, all of which are risk assessed to ensure the ultimate safety for our students.

The majority of our centres are residential, offering students the opportunity to experience life on a college campus or in a boarding school environment. For our younger students, we recommend our boarding schools; these offer a more nurturing environment. For our teenagers the choice is much wider. Many of our centres offer single rooms with their own ensuite facilities; and in Malta we also use hotel accommodation with up to 4 students sharing a room. Outside of their bedroom students can also relax in the shared common spaces available to them.

We offer host family options in some of our centres (please see our centre pages for more details on where family stay is available). Our Homestay providers are all checked and inspected regularly and in the UK we work with a dedicated and accredited Homestay provider.

Most of our Homestay providers have hosted our students for many years.

We have guardians for our individual students, and residential staff in all of our locations, as well as night managers to ensure everyone is safe and well throughout the night!

All of our accommodation is cleaned regularly and we provide linen in all centres. Towels are provided in some locations but in general we recommend that students bring their own towel.

All of our centres offer full board accommodation and we make sure that our students have the right nutritional balance. We provide suitable meals to help them stay healthy, focused and energised. All our programmes include a variety of hot and cold meal items, and we can cater for most dietary requirements.

Out & about

A large part of a summer school experience is exploring the local towns, larger cities and famous attractions with new friends!

Two thirds of the student experience is actually spent out and about, away from the classroom and therefore Embassy Summer has spent many years tailoring its programmes in each location to maximise the whole student adventure. We recognise that the excursions and activities are as important as the English language classes.

All of our programmes include a variety of full day and half day excursions, and students also have the opportunity to take part in additional trips (known as optional excursions) if they want to explore the locality further.

For more details on the excursions available from each of our centres please visit the specific centre page.

When not out on excursions, we also offer our students a wide range of activities to enjoy. These activities vary differently from centre to centre and are very much dependent on the facilities available to us, but in general we always try to include a range of sporting and non-sporting events as well as larger, whole school, evening activities such as discos, beach barbeques and cultural quizzes.

Our activity programme is designed to ensure that students maximise their opportunities to mix and meet with other students from all over the world in a less formal setting than a classroom, that they continue to use their English (or French if in Montreal) language outside of the classroom and that, most importantly they remain healthy, happy and have a fun experience!

A typical week in an Embassy Summer school

SUNDAY

MORNING	Students arrive at our centre, head straight to their rooms, unpack and get ready for an unforgettable experience!
AFTERNOON	
EVENING	Staff organise welcome games or treasure hunts so students can get to know each other and the centre.

MONDAY

MORNING	Student induction held by the centre manager and after that it's time for some testing.
AFTERNOON	Get orientated with the campus and the local community. The University is big so it's good for students to know their way around, where to find the shop, the canteen and the cafés.
EVENING	It's disco time! All students in the centre get together for an evening of fun.

TUESDAY

MORNING	First real lesson, students are divided into their classes based on their, age, level of English and nationality (to ensure a great nationality mix).
AFTERNOON	It's time to leave the centre and explore. A trip to Arundel Castle or Brighton is on the agenda.
EVENING	We arrange on-site activities such as 'the Great Egg Drop' and a fun photo scavenger hunt.

WEDNESDAY

MORNING	By lesson two, students are getting more familiar with their learning materials.
AFTERNOON	It's time for some sports; mini Olympics and a football tournament is on the schedule.
EVENING	Who doesn't love karaoke? It's our students' time to shine!

THURSDAY

MORNING	Lessons - by this time students usually start to become a bit more confident and the teacher might arrange a debate.
AFTERNOON	Visit to the city centre where students get to explore the famous pier and the Sea Life Centre.
EVENING	Murder Mystery - A fun activity where our students need to work together to solve a case.

FRIDAY

MORNING	Lessons - teachers might ask students to do a quick presentation about the place they'll be visiting on the weekend.
AFTERNOON	Students can choose between playing volleyball or doing a dance workshop.
EVENING	Tonight is the night for a talent show. This is a very popular activity that gets students into that Friday feeling!

SATURDAY

MORNING	Wake up, have breakfast and get ready for London. Students explore Westminster and the National Gallery.
AFTERNOON	
EVENING	Students are usually tired after a long day out and about, and what could be better than a film night?

SUNDAY

MORNING	Students can choose to stay at the centre to take part in organised activities and relax, or they can choose to come on our optional trip to Thorpe Park.
AFTERNOON	
EVENING	New groups of students have just arrived to the centre and everyone gets together for welcome activities and games.

Embassy Summer in North America

An aerial view of a city skyline, likely New York City, during sunset. The sun is low on the horizon, casting a warm, golden glow over the buildings. The sky is filled with scattered white and orange-tinted clouds. The city is densely packed with skyscrapers and buildings of various heights and colors. The overall atmosphere is vibrant and energetic.

USA

From the Statue of Liberty to Mickey Mouse to the American flag, the US has some of the most iconic images in the whole world and our centres are located in three of the most iconic cities; New York, Los Angeles and Boston. From the vibrancy and excitement of cities that never sleep to the laid back vibes of the West Coast, the US, famous for its summer camps, is the perfect place to choose to improve your English.

CANADA

Where snow-peaked mountains join freshwater lakes, and huge forests meet thriving, cosmopolitan cities, Canada has an endless array of landscapes. As the world's second largest country, with two official languages - English and French - and an eclectic mix of cultures, Canada really has it all.

Other options with EC Young Learners

We have a wide range of options for both individuals and groups and are always open to specific requests and tailor-made options. These options can be either face to face, online or a hybrid of both. Please read on for more information on how we can extend the summer school experience and support language learning all year round.

EC Young Learners – Study Tours

Study Tours are the perfect option for teachers organising educational school trips or any other groups of students travelling with a leader or guardian at any time throughout the year.

In addition to our award-winning summer camps we also offer closed group programmes outside of the high season in the UK, Malta and North America. These closed group programmes are typically tailored to the specific needs of the group and are the perfect opportunity for school groups to extend and enhance their in classroom learning to something more experiential!

For students who simply cannot get enough of summer camp, did you know that we also offer face to face 'camp' experiences in Autumn (October), Winter (January) and Spring (April), These low season camps are available to both groups and individuals and offer a similar programme to our summer school experiences.

Spring Camp

This spring we are offering two exciting programmes to students age 11-17 in the UK and Malta.

These programmes are open to both individuals and groups and there are both residential and Homestay options available.

For more information on all of our low season programmes please visit our study tours website at www.ecenglish.com/en/study-tours
